

TECHNICAL DATASHEET

LA LOBA 2011

Alcohol	14°
Varietal	Tempranillo 100 %
Vineyard	Matanza de Soria
Harvest	Manual
Aging	14 Months in French Oak Barrel
Bottled	September 2013

VINTAGE

We have had a mild winter with a little less rainfall than usual and a summer with a lot of sunshine but with moderately cool nights that have been favourable to the crop and have helped give a final impulse to the clusters during the ripening phase in order for them to reach their point of optimum quality. Harvest-time was sunny, without rain or cold, which also contributed to the health of the fruit.

TASTING

Potent and concentrated, a fruity bouquet with subtle notes of spice. Intense in the mouth and with character, accentuated with lively, balanced, elegantly-structured tannins that deliver an agreeable, fresh unctuousity.

CONSUMPTION

May require decanting, due to its high concentration and potency.
A wine to be enjoyed and laid down.
