Varietal	Tempranillo 100 %
Vineyard	Matanza de Soria
Harvest	Manual
Aging	12 Months in French Oak Barrel
Bottled	July 2014

VINTAGE

We had a winter marked by the intense cold of Soria, a spring with very high rainfall, but a very dry summer with temperatures to match, accompanied by cooler nights, something that suited the cycle of our vineyards. Thanks to the light rain that fell over the course of the ripening period, combined with the benign weather, which spared us adversities, we managed to obtain bunches at the peak of quality. Picking took place in sunshine, without a drop of water, something that is very important as it benefits the harvest.

TASTING

Intense, punchy, aromas that recall the native soils of Soria, powerful fruit, with very subtle toasted and spicy notes. It makes an elegant entrance, one that is smooth but prolonged and intense, and seduces the taste buds with its tannin in a balanced and engrossing way.

CONSUMPTION

May require time to breathe beforehand, owing to its high concentration and potency. A wine to enjoy and keep. To have on its own and accompanied by food.
